

## **BRITISH MOTORCYCLE PRESERVATION SOCIETY**

### **Ordinary Meeting Held on the 4<sup>th</sup> May 2011**

at the Llandudno Junction Community Club, Victoria Drive  
Llandudno Junction at 2000 Hrs.

The Chairman opened the meeting by extending a warm welcome to All Members who attended the Cambrian Rally celebrations at Oswestry Railway Station.

The Chairman reported that although the Stafford Show had been very well attended it was marred by a spate of mindless thieving. The Chairman had lost a number of items that had been taken off his stall. This had happened to a number of stallholders and the Chairman will write to Mortons to lodge a formal complaint.

Llandudno extravaganza was well attended with good weather and we had a good show of bikes on Sunday.

Chris Langdon highlighted the problems he was having with petrol standing in his classic bikes. The Ethanol additive to modern petrol had broken down the Petseal tank sealant. He brought samples of the petrol that he had drained out of his tanks and some of the residue fibres of the petseal. The carburettors had had to be stripped and cleaned. Members were asked of their experiences as he was sure all will experience problems with this issue. Total still sell ethanol free petrol but for how long as this is another environmental. The only answer is to drain the tanks if your bikes are going to stand for any length of time.

It was agreed that the Club would not be represented at Cholmendley and the Show Secretary was asked to write expressing our objection that exhibitors would be charged to enter the show.

### **Forthcoming Events**

April 30<sup>th</sup> to 2<sup>nd</sup> May Bala C.B.J. Edwards Robin Jac Festival Cyain Centre, Y Bala
