

BRITISH MOTORCYCLE PRESERVATION SOCIETY

Ordinary Meeting Held on the 7th September 2011

at the Llandudno Junction Community Club, Victoria Drive
Llandudno Junction at 2000 Hrs.

The Secretary opened the meeting in the absence of the Chairman who was attending a show on behalf of Major Owen. Well Done!

Approx 40 members attended.

Pete Fogg took booking for the Stafford Show.

Ray Massey was busy taking the Annual subs and recruit new members.

The weather conditions were very poor but one member did attend on his bike and should be commended for doing so.

The guest speaker Mr Eric Miles and his wife gave an excellent presentation and slide show. It was described as being the best presentation we had had at our meetings.

Mr Eric Miles talking on his experiences of off road bikes and photographs of Hawkstone Park. His slide show started with his Brownie box camera. The slide show did come to an abrupt halt when the projector gave up but that will give us an excuse to have this gentleman here again. Big thanks to Phil Denton for organising this presentation.

2nd November - Pete Fogg has arranged a Quiz Nite (assures us the question will be easy!!) Sausage and chips will be served.

Forthcoming Events

15th October Stafford Show
