2018 British Motorcycle Preservation Society Show at Glyndywfry near Corwen

Once again we held a very successful Classic Bike Show at Glyndywfry near Corwen in association with the Llangollen Railway Society Classic Transport Weekend. We are very grateful for their support at this event. The weather was again very good, plenty of parking space and camping facilities if required.

Some 90 British Bikes 1907 – 1976 attended over the 2 days and many (200+) visited over the weekend. We had a number of jumble stall selling motorcycle parts. Hopefully that will increase and become a big attraction.

Bike owners displaying a bike were given a pass to travel by train to Llangollen ...and back!!!

Food was available and seats on the railway platform were at a premium to sit and watch the steam/diesel trains coming and going.

We are very fortunate to have the support and enthusiasm of Peter, Len and Lin in setting up and organising this event. Thanks also to others who assisted.

It has been an excellent promotional opportunity for our Club.

This year's event is on the 6th & 7th July,

PLEASE MAKE AN EFFORT TO ATTENDED THIS EVENT TO SUPPORT YOUR CLUB!!
