Motorcycle Jumble – Mochdre – Sunday 10th March 2019

I am now preparing for our Annual Motorcycle Jumble in Mochdre Village Hall under the same arrangements as previous years.

Bookings are now been taken for stalls, if you would like to participate please complete and return the tear off section below together with your cheque for the appropriate amount.

Applications are dealt with on the basis of “first come, first allocated” and already some of our members have booked their stalls. Stalls will **only be** reserved on receipt of the appropriate payment. The Society reserves the right to refuse an application.

Stallholders will be entitled to free entry for themselves and for **one** other person.

The Village Hall will be open to stallholders only from 7.30a.m. Sunday morning until 8.30 a.m. to set up. Stallholders who have travelled a long distance, will be able to set up late Saturday afternoon after the Hall has been prepared by prior arrangement, Stallholders will be able unload at the Village Hall doors but then must park elsewhere. There is ample parking on the nearby Industrial Estate.

This is a motorcycle jumble and items offered for sale should have a motorcycle connection. For safety and insurance purposes smoking is NOT allowed indoors and Bikes for Sale must be displayed outside.

Refreshments will be available.

Public admission will be from 9.00 a.m. at a cost of £3.00.

Yours faithfully
